YOUR BRIDGE TO THE FUTURE

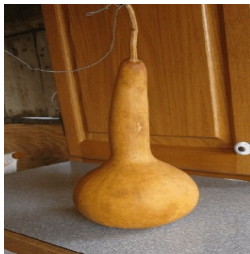

FROM THE EARTH TO THE HEARTH

GOURD ART WITH CLARLYN LEDY: 10 AM - WEDNESDAY, JUNE 23, 2010

Spend a day in Clarlyn's studio and learn the ancient art of gourd decorating. You will learn to clean, cut and decorate your gourd in either primitive fashion, natural appearance or you may use any of the supplied beads or other embellishments. While you work, you will learn about the role of gourds in ancient civilizations. At the end of the day, you will go home with a finished craft ready to hang outside or display in your home.

Meet at the marina office at 10 AM and shuttle to Clarlyn's studio where you will spend the morning preparing a gourd which you have selected from Clarlyn's inventory. After a luncheon, which will include wine, you will add the finishing touches to your creation and shuttle back to the marina.
